

Prophetstown State Park presents

# Audubon Society

## Birding Day

Saturday, October 6<sup>th</sup>

Join members of the Sycamore Audubon Society for a day of birding. Take a hike, spot some birds, listen for calls. Bring binoculars if you have them, and we'll have some to borrow too.

Chapter President, Chuck Tuttle, and others will be leading programs throughout the day. Chuck will also be in the campground beginning Friday evening at campsite #251, where he'll have spotting scopes, binoculars, and more for you to look at. Stop by and find out more about the Audubon Society.

**9am - Audubon Bird Hike** - Meet at the Campground Shower Building.

**4pm - Birding on Deck** - This spot is a perfect mix of habitats and you're sure to see and hear some beauties. Meet at the observation deck on the far east end of Trail 2.

**7pm - Birding near Bedtime** - Discover the birding sights and sounds at dusk. Meet at the observation deck on the far east end of Trail 2.

All programs are free and open to the public after paying the front gate fee of \$6/carload. For more information, call the park's Main Office at 765-567-4919.
